ALBANY, ALAMEDA COUNTY, CALIFORNIA, FRIDAY, AUGUST 10, 1945

NUMBER 45

NEW BUDGET ADOPTED BY ALBANY CITY COUNCIL

A budget of \$230,874.24 was set in Albany, Monday evening, August 6, following presentation to City Council. The 1945-46 tax of \$1.65 means 3 cents increase last year's rate which amounts approximately \$3,000. This was necessary primarily by the monthly war time bonus awarded recently to approximately 45 employees, and increased operating costs.

Broken down, the general fund proposes legislative expenditures of \$100 which includes salaries of councilmen, city clerk, ordinance publishing and car allowances; \$40 for the financial expenditures including city assessor and city auditor salaries; \$3605 for legal expenditures; \$4063 for the court, and including salaries of judge and clerk, jury fees, bonds, records and printing and supplies; general office expenditures, including dues and other expenses of the League of California Cities of \$6,150; \$480 for civilian defense, a 10 percent decrease over previous war years; \$775 for the Albany Planning Board; \$2200 for election officers, polling places, supplies, Libraries \$4,317.76; \$1925 for city pound; and Health Department \$5052; Charities and corrections \$930.

Expenses for the Fire Department were estimated at \$29,370 for salaries for 12 members; \$900 for supplies and equipment; \$68.72 for other operating costs such as utilities, alarm system maintenance, oxygen, car allowances and pension; and \$1035 for recurring costs such as fire insurance and equipment repairs. The total for the department was placed at \$35,773.72.

A total of \$43,698 was set as the total for maintaining the Police Department for the current year. Of salaries for 13 persons called expenditures of \$31,170, while supplies and equipment, operating expenses and replacements of equipment made up the remaining budget.

Proposed work to resurface Buena Vista Street comprised the largest expense scheduled for the fiscal year. City Engineer Ulric F. Felt said that approximately \$25,000 would be spent to bring Buena Vista Street up to modern highway standards.

On Tuesday, August 7, City Engineer, Grace L. Higgins, received a check for \$3075 the final amount on the \$50,000 Bond Issued in August of 1925, for the purchase of Memorial Park. The City of Albany is now free and clear of all bonded indebted-

ness and the citizens and taxpayers of our City should feel justly proud.

The City budget proposed funds of \$25,822.70 for Park and Recreation. Of this amount the Park Department was allocated \$10,444.40 and the Recreation Department \$15,378.30; that includes salaries, supplies, other operating costs, repairs, replacements, and other non-recurring costs.

Anticipated federal funds for the Police, Fire, and Recreation Departments made necessary by the war time condition and the construction of a large Housing project and increase in population has been allocated on an emergency 3 months basis. It is the policy of the Federal Works Agency to approve funds on a quarterly basis only.

The city estimated a revenue of \$27,000 from court fines and forfeitures; \$3000 from business and dog licenses; \$1500 from pound fees; \$4800 from franchises from the P. G. & E., garbage and sewer companies; \$14,000 from subventions and grants including liquor and motor vehicle revenue; \$3100 from personal property taxes, unsecured; in lieu taxes from the public housing project, \$15,000, and other estimated revenues, bringing the total to \$73,000 exclusive of assessment roll taxes and public utilities.

The total value of the assessment roll in Albany at the present time is \$7,744,225 and the Public Utilities was estimated at \$1,572,225, a total of \$9,316,450 on which the \$1.65 tax rate should bring in a total of \$226,821.42. A cash balance on hand will be used to make up the deficit of \$4,052.82 in the event the expenditures reach the full estimated budget.

Last year's expenditures were listed at \$210,583. The tax rate is divided into \$1.00 for the general funds, .035 library, .23 park, .035 park bonds and .35 for public schools.

Farewell Party Given For the Don Adams

A farewell party was given for Mr. and Mrs. Don Adams by members of the American Legion and Auxiliary Unit of Albany Friday evening, July 27. Nearly 80 friends gathered around the fireplace in Memorial Park for a picnic supper. Members were present from Sonoma, Richmond and Berkeley to bid "goodbye to Don and Pat" who are leaving soon for Cummings, Calif. Besides a handkerchief shower the couple were presented with other gifts.

Appointments Made by Albany Education Board

A series of war-time duration administrative appointments were made by the Albany Board of Education at the regular meeting held on August 2. William G. Elmer Venter, teacher at Marin School for a number of years, was appointed as the new principal of Codornices School. All transfers are to become effective September 1, 1945.

Miss Patricia MacCaughy was granted a war-time leave of absence to take a full-time position with the American Red Cross. Armin Wegner, instrumental music teacher of the Albany City Schools, was granted a one year's leave of absence because of health.

Albany Boy Scout Troop 12 Returns From Wolfboro

Nineteen members of Albany Troop 12, Boy Scouts of America, recently returned from their annual two weeks trip to Camp Wolfboro. Don and Tom Binninger, Wilbur Charter, Jack Christie, Don and Jim Diani, Don Easter, Lawrence Hawkins, Alan Jelten, Dick Miller, Jack Nahmens, Jim Thorpe, David Stacy, Floyd Weinberg, and Don Ziegenfuss, under the direction of Scoutmaster Walter Miller, Assistant Scoutmaster Vernon Easter, and Junior Assistant Scoutmasters David Dows and Gary Lundberg spent a busy and pleasant time camping in the open (no tents), hiking, swimming and working on the varied advancement program provided by the Berkeley-Contra Costa Area Council.

In addition to Merit Badges won in Swimming and First Aid by Donald Ziegenfuss, Life Saving and Pioneering by Dick Miller, and Pioneering by Jim Diani and Dave Stacy, the remaining members passed tests in Mapping, Signaling, Cooking, Hiking, First Aid, Bird Study, Nature Study, and those other skills required for the various Scout ranks.

One of the high points of the trip was a four-day pack trip by the older members of the Troop to Elephant Rock, Sky Parlor Meadow, False Peak and Bull Run Peak, covering about 50 miles of cross-country hiking at elevations up to 9500 feet. Ascent of the summit of Bull Run Peak was prevented by deep snow, but this was compensated by impromptu skiing on the many snow fields.

At Wolfboro, Troop 12 occupied the area which has been improved by Troop 24 of Berkeley, which contains trees dedicated to those former Scouts now in military service, and, due to its good camping habits, won more than its share of awards for the best Troop Camp. The Troop is sponsored by Albany Post No. 292 of the American Legion, and has over 50 former members in the Armed Forces.

He will move to Los Angeles to take an administrative position with the new East Los Angeles Junior College as head of the school of Health, Civic and Public Welfare.

A farewell dinner was recently held in his honor at the Palm Gardens with Paul Bryan, Superintendent of Albany Schools, acting as master of ceremonies. Twenty friends were on hand to extend their congratulations. A desk set and organizer were presented to Rowe.

Rowe came to Albany from Los Angeles, where he worked for eight years in the same school district to which he plans to return. The family will reside in nearby Alhambra.

Teen Age Center To Close Aug. 18

Albany's Teen Age Center will close Saturday night, August 18, for the annual cleaning and re-finishing of floors, according to Superintendent of Recreation Edwin S. Howell. The exact re-opening date will be announced later; however, it is anticipated that the popular Recreation Center, located in the High School Gymnasium will re-open shortly after school begins for the fall semester.

The Teen Age Center has provided leisure time opportunities for some 2,700 boys and girls since May 5, to and including August 4. A break down of this attendance would find a 262 Saturday evening average for May, 244 for June; and 131 during the month of July.

Howell stated that it has proven that a public recreation center is needed in Albany where youngsters may utilize recreation facilities on a full time basis. The teen age youngsters have proved beyond a doubt that they will attend a well equipped recreation center and are capable of good behavior and want a place where they can spend their leisure time under supervision.

On behalf of the recreation directors who have worked at the Center they wish to express their sincere appreciation to the teen age boys and girls for their excellent cooperation in making this High School center the success it has attained.

Community Church To Hold Reception For New Pastor

Members of the Albany Community Church will hold a reception for their new pastor, the Rev. J. W. Winkley and Mrs. Winkley Wednesday evening, August 15 from 8 until 10 o'clock.

The reception will be held in the church social room and the public is cordially invited to greet the new pastor and his wife.

Mrs. Claire McGaw has arranged the musical portion of the program.

Some are unwisely liberal, and more delight to give presents than to pay debts.—Sir P. Sidney.

In a pitchers' battle which culminated in a victory for the Albany Exchange Club over the El Cerrito Y. M. L., the two teams participated in a thrilling 11-inning ball game Sunday morning at Memorial Park in Albany.

The Exchangeites finally won the game 6 to 5 to maintain their perfect record of no losses. Featured with a timely single by Milt Gordon in the last half of the eleventh, which scored Harley Cornell, the game was a thriller all the way.

Behind the stellar pitching of "Speed" Zerga, the Exchange boys finally reached the slants of "Crooked Arm" McKinnon in the eighth by scoring five runs to tie the score.

Both teams then went out in 1-2-3 order in the ninth and tenth innings. In their half of the eleventh, the Y. M. L.'s loaded the bases, after two were out. Dever and McKinnon got successive hits and Exchange Manager "Buzz" Cleary ordered "Camp Roberts" Vercelli, who had previously hit a triple, to be intentionally walked. It seemed as though the strategy was doomed to failure then when Kendall hit a long line drive to left field. It "looked like the ball game" until Ed Howell caught the ball on the run to retire the side.

In the Exchange half of the eleventh, with one away, Glavinovich hit and was thrown out at home trying to score on Cornell's succeeding hit. This was the result of a perfect throw from Shortfielder Buescher to Catcher Sears. Gordon then hit to center to score Cornell with the winning run and the boys went home for a long rest.

Leading hitters were Glavinovich of Exchange and Ghiorso of the Y. M. L., each with three base hits to his credit.

Lineups for the two teams were as follows: 3b, Bud Eager; catcher, Andy Sears; ss, Emil Ghiorso; 2b, Walt Koller; 1b, Sam McLean; cf, Bill Dever; pitcher, Jim McKinnon; lf, Phil Vercelli; rf, Eddie Kendall; short center, Vince Buescher.

Exchange—Catcher, Elmer Venter; rf, Bob Taylor; ss, George Glavinovich; 3b, Harley Cornell; 1b, Milt Gordon; short center, Vern Freeman; 2b, Bob Miller; lf, Ed Howell; cf, Emmett Devine; pitcher, Al Zerga.

Umpiring the game were Chief of Police Stanley Williams and his brothers-in-law, Tom and Jim Cline, U. S. Navy.

Gas and
Electricity are Cheaper,

1894
GAS \$18.40
ELECTRICITY \$13.49
One Month's Bill for Present Average Use

FIFTY YEARS AGO the corner of Market and B Street, where the 17-story P. G. and E. General Office Building now stands, was occupied by the Holm Building, built in 1881.

Market Street was paved with cobblestones over horse-drawn trucks and cabs rattled and rumbled. Cars changed their way down the center of the street. The little Sutter Street trailer car, hauled by a team of half-broken horses, jogged down to the ferry building on the outside. Those were the horse and buggy days.

Most of San Francisco's streets and homes were lighted with gas and wood were in general use for heating and cooking. Electricity used in few homes and only for lighting. Modern appliances—stoves, refrigerators, electric toasters, roasters, irons, washers and other wonder-workers of today were unknown.

In 1894 both gas and electric services were expensive luxuries compared to the low rates charged today as shown by these typical bills:

1894
GAS 4,600 cubic feet, the average monthly domestic consumption in San Francisco today \$18.40
ELECTRICITY 71 kilowatt hours, present monthly average for domestic use \$13.49

The "good old days" were not all good. Half a century of progress has brought countless advantages to the people of this generation, not the least of which are cheap, dependable electric and natural gas service, and a great variety of convenient, efficient labor and time-saving appliances.
